INTERNSHIP

- **Digital Marketing Intern | Socialbent | Gurgaon** **May 2025 - July 2025**
 - Assisted with SEO research and content optimization for client campaigns.
 - Contributed to social media content planning and campaign execution.
 - Worked with the marketing team on digital campaign management and performance tracking.
 - Collaborated in a professional team environment while meeting project deadlines.

PROJECT

- **AI Gym Progress Tracker – AI-Powered Physique Analysis Platform (Ongoing)**
 - Leading development of an AI-powered fitness analytics platform to track physique progress through computer vision.
 - Building OpenCV and MediaPipe-based models to analyze body proportions, symmetry, posture, and shoulder-to-waist ratio from progress photos.
 - Developing a full-stack application using React, Tailwind CSS, and FastAPI, enabling users to visualize measurable physique changes over time.
 - Prototype stage with planned cloud deployment on Vercel and Render, targeting fitness enthusiasts seeking data-driven progress tracking.

POSITIONS OF RESPONSIBILITY

- **Student Lead & Organizer | School Clothing Drive** **November 2022 - December 2022**
 - **Led a team of peer volunteers** to organize and execute a school-wide clothing drive under the IB CAS framework, benefiting local youth communities.
 - **Managed the day-to-day operations** of the drive, establishing collection checkpoints and overseeing the sorting, counting, and quality checking of all donations.
 - **Coordinated the logistics and distribution** of the collected apparel, working alongside school administration to ensure everything was safely delivered to the target communities.
 - **Drove community engagement** by promoting the initiative across classrooms, successfully boosting donation volume through effective peer-to-peer outreach.

ACADEMIC ACHIEVEMENTS

- **American High School Diploma:** Earned individual subject scores of **98% in Chemistry**, **96% in Spanish**, and **90% in English Language & Literature**.
- **Academic Excellence – American High School Program:** Graduated with a high-tier cumulative average grade of **6.0 / 7.0**, demonstrating consistent academic excellence across a rigorous dual-curriculum framework.
